EXPERIENCE

Front-End Developer Internship (2 months)

04.2023 – 06.2023

Neway OÜ

- Internship as a Front-End Developer at a design agency.
- My main tasks were creating websites and website maintenance.
- We used Voog website builder as the main platform. Some older client projects were on Wordpress as well.
- Programming languages and frameworks used: HTML Liquid, Javascript, Vue.js.

Customer Service Representative

06.2023 – 12.2023
08.2024 –

Dada Gopal OÜ

- Work at the cash register.
- Receiving and displaying products.
- Training new employees.

EDUCATION

Tartu Vocational College

Junior software developer

2022 –

Viljandi Gymnasium

Foreign languages class

2019 – 2022

ABOUT ME

By nature I’m open-minded, resourceful, hardworking, conscientious and a fast learner. While working in customer service I have acquired a good stress tolerance and patience. In my spare time I volunteer for events and at a cat shelter. I also read a lot of literature.
